

# STABILITY of STRUCTURES XVII-th SYMPOSIUM

since 1963

Zakopane, Poland, 18-21 September, 2024

Dear Colleagues and Friends,

we'd like kindly to remind you of the **XVII-th Symposium on Stability of Structures** scheduled on **September 18-21, 2024**, in Zakopane, Poland. Since 1963 a series of the Symposium on Stability of Structures has been focused on a variety of stability of structures topics as well as a look into the up-to-date developments in the associated fields. Full information and dates are given below (see also the conference website: [ssk.p.lodz.pl](http://ssk.p.lodz.pl)).

We're are pleased to announce excellent keynote speaker - Professor:

**Viorel Ungureanu (Polytechnic University of Timisoara, Romania)**

You are cordially invited to participate in these interesting venture and we look forward to seeing you in Zakopane next year.

Sincerely,  
Leszek Czechowski  
Chairman of XVII-th SSK

## TOPICS

- Bar and thin-walled structures
- Strength, buckling, post-buckling and load-carrying capacity of structures
- Theoretical modelling of thin-walled structural behaviour
- Damage mechanics of thin-walled structures
- Numerical simulations and experimental investigations
- Dynamics of structures
- Nanostructures
- Reliability and safety of structural systems

## ABSTRACTS

One-page abstracts should be submitted electronically on-line via Symposium website by the deadline of **April 15<sup>th</sup>, 2024**. Papers will be reviewed by the Scientific Committee. Notification of acceptance will be given by **April 30<sup>th</sup>, 2024**.

It is planned that after the Symposium Scientific Committee appoint five best papers among presented during symposium which can be considered for publication in indexed Journal (*Archives of Civil Engineering with  $IF_{2022}=0.8$*  or *Journal of Theoretical and Applied Mechanics*

with  $IF_{2022}=0.8$ , e.g.). The papers will be subjected to the usual peer-review procedure. The costs of publication of accepted papers will be covered by Organizing Committee.
