

STABILITY of STRUCTURES XVII-th SYMPOSIUM

since 1963

Zakopane, Poland, 16-20 September, 2024

Dear Colleagues and Friends,

We are very delighted to announce the XVII-th Symposium on Stability of Structures, on September 16-20, 2024, in Zakopane, Poland. Since 1963 a series of the Symposium on Stability of Structures has been focused on a variety of stability of structures topics as well as a look into the up-to-date developments in the associated fields. Some basic issues are given below in this preliminary invitation.

You are cordially invited to participate in this interesting event and we look forward to seeing you in Zakopane next year.

Sincerely,
Leszek Czechowski
Chairman of XVII-th SSK

TOPICS

- ❑ Bar and thin-walled structures
- ❑ Strength, buckling, post-buckling and load-carrying capacity of structures
- ❑ Theoretical modelling of thin-walled structural behaviour
- ❑ Numerical simulations and experimental investigations
- ❑ Dynamics of structures
- ❑ Nanostructures
- ❑ Reliability and safety of structural systems

ABSTRACTS

Two-page abstracts shall be submitted electronically on-line via Symposium website by the deadline of **January 31, 2024**. Papers will be reviewed by the Scientific Committee. Notification of acceptance will be given by **February 28, 2024**.

It is planned that after the Symposium the full length papers will be considered for publication in indexed Journal or in a special issue. The papers will be subjected to the usual peer-review procedure.

IMPORTANT DATES

- 31.01.2024** – deadline for registration and abstract submission (template will be accessible on Symposium website)
- 28.02.2024** – acceptance of abstracts
- 30.05.2024** – deadline for payment of early bird fee
- 30.06.2024** – deadline for payment of the registration fee
- 15.08.2024** – detailed program of XVII-th Symposium

ORGANISED BY

- ❑ Department of Strength of Materials of Lodz University of Technology
- ❑ Polish Society of Theoretical and Applied Mechanics - branch of Lodz

ADDRESS FOR CORRESPONDENCE

Organizing Committee of Stability
of Structures XVII-th Symposium
